86th Annual Robert T. McKee Student Art Exhibition

ELIGIBILITY

- Students ages 5-20 and grades K-12.
- Students currently enrolled in a public, private, charter, homeschool, or parochial multi-subject academic school in San Joaquin County.
- Limit of 1 artwork per student.
- Limit of 5 works per class. This limit also applies to mixed classes combining more than one grade level (e.g. 3rd/4th). Multi-period class teachers are restricted to 5 works per class period.
- All art work must be submitted by the student's academic classroom teacher or with the written authorization from the student's academic classroom teacher.
- Art work must have been completed during the current school year

DELIVERY OF ART

- Entries will only be accepted from authorized school personnel (e.g. teachers, principals, aides) on the dates listed above. School personnel may provide written authorization for another individual to submit works by listing that individual's name on the inventory sheet.

INVENTORY SHEETS

- Inventory sheets must be filled out completely and submitted with the art work. List each student's name and grade, and note whether their work is two-dimensional (2-D), three-dimensional (3-D) or a digital short on DVD. Teachers, please provide your first and last name and school and cell/home phone numbers.
- If the class includes more than one grade, separate them by grade level **on the same sheet**.
- Multi-period class teachers must submit a separate inventory list for each class period.

AWARDS

- A ribbon, special certificate, museum passes, and other prizes will be given to winners of three Awards of Excellence, three Docent Council Awards, the Palomino Blackwing award for work in graphite and colored pencil, and the Schumacher Award for work in 3D.
- A ribbon and certificate will go to winners of three Honorable Mentions at each grade level.
- A certificate of appreciation will be given to each participant.
- Awards are distributed when the artwork is returned at the end of the exhibit.

ENTRIES

- Each art work must be labeled with the attached labels. Only the student's name and grade appear on the front of the art work. Place the label in the **lower right corner** of the art work as shown in the example on the label page. This ensures that we mount the art work correctly. Do not change the size of the label.
- **No work requiring special handling will be accepted.** Special handling includes anything fragile; electrical or with lighting attachments; work with multiple pieces; work made of sharp or dangerous materials; or utilizing unstable hanging devices.
- **No work made of food, food materials, or living plant material will be accepted.**

2017 Guidelines

86th Annual Robert T. McKee Student Art Exhibition

Work that does not meet these size specifications listed will not be installed.

Two-dimensional work (2-D)

- Must be **securely** matted, mounted in inexpensive mats that will be stapled to the wall during installation. If framed, entries must be **securely wired or equipped for hanging**. No glass; if needed, use Plexiglas or clear Mylar instead.
- **Must not exceed 24" x 36"** (including mount, mat, or frame).
- Pastels and charcoals must be sealed with a fixative.

Three-dimensional work (3-D):

- **Must not exceed 24" in any dimension** or weigh more than 25 pounds.
- Works must be stable enough for transportation to/from the museum and the installation process.

Digital Films on DVD

- Digital films **must not exceed 3 minutes** in length.
- Filmmaker must include a title shot with their name clearly visible within the short film.
- Write artist's name/grade/school on DVD in permanent marker.
- Content must be suitable for showing in a family focused exhibition; no profanity or violence.

RETURN OF ART

- Works of art may be picked up only on the dates designated. No individual art work will be released early or held after the return dates.
- Artwork and awards will be returned only to school personnel authorized to do so. The teacher must provide written authorization for other individuals to pick up work.
- **Work not picked up on the designated times/dates will be disposed of at the museum's discretion.** Teachers unable to pick up the art work on the designated dates should contact Curator of Collections Kylee Congrave at (209) 940-6333 or kdenning@hagginmuseum.org to make alternative arrangements before the exhibition closes on April 2, 2017.

LIABILITY

- While The Haggin Museum takes reasonable care and precaution in handling the entries and will provide security for their protection during display, it is unable and will not assume responsibility for any loss, including but not limited to theft, damage, or vandalism, etc. Further, in the event of an overwhelming number of entries, the museum reserves the right to reduce the number of works hung due to limited space. Every effort will be made, however, to hang all the eligible entries received. Any entry that does not comply with the above rules will not be included in the exhibition, even if it is left at the museum with other eligible entries.
