WELCOME!

Whether you wander the galleries and discover, or plan your visit to include specific collections and works, we invite you to actively participate in each exhibit. Haggin Museum showcases and celebrates the diversity and history of our area. We are grateful to visitors like you who help make this museum dynamic, engaging, and community-focused as possible. So, play, learn, take a #selfie (or two), we hope you have the best experience possible during your visit to Haggin Museum!

VISITOR GUIDE

DIVE DEEPER INTO THE COLLECTION

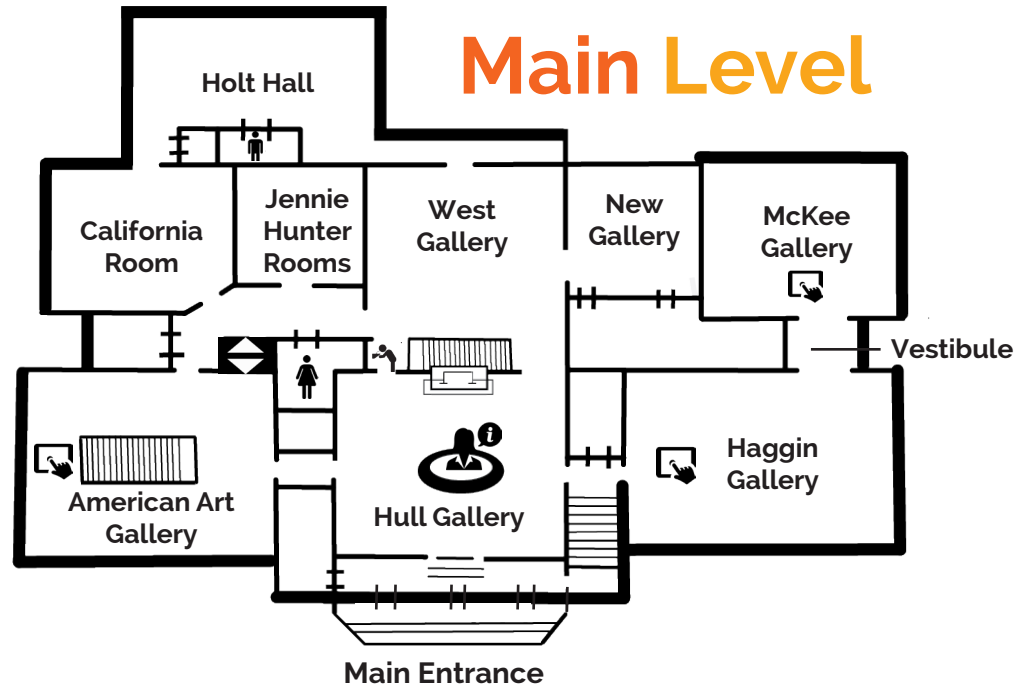

EXPLORE

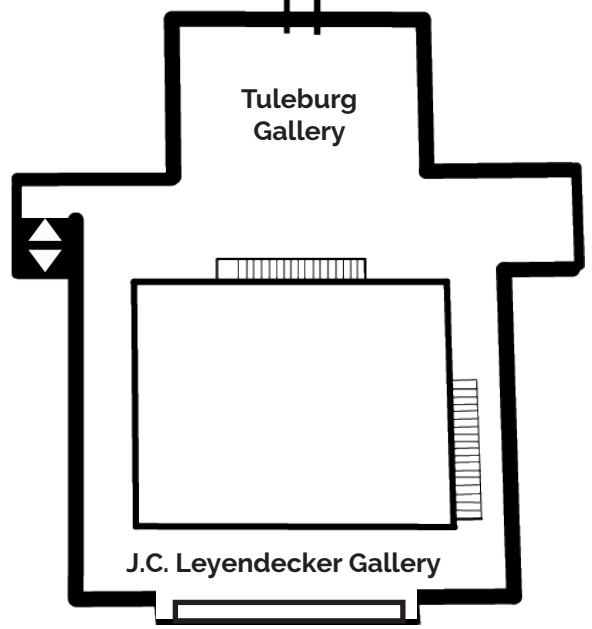

Three digital interactive kiosks are located on the Main Level in the American Art, Haggin, and McKee Galleries. Read artist biographies, immerse yourself in the story of the Haggin family, and learn how historical events and cultural tastes of the late 19th century influenced their collection. These touch screen kiosks also offer visitors two experiences: Free Exploration and Curated Experience. Customize your journey through the museum based on your interests!

ENGAGE

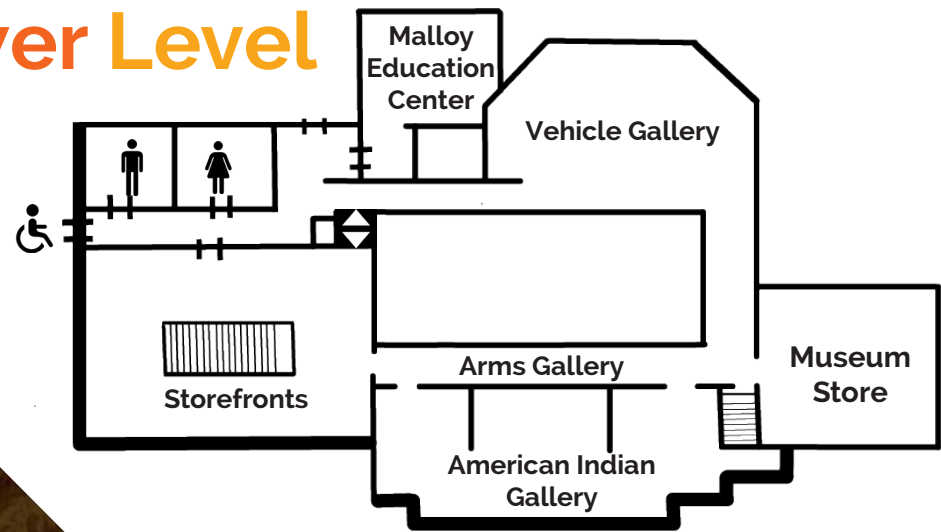

Themed Activity Guides are available to spark imagination, creativity, and to foster connections with the history and art collections for the whole family! Download a PDF version through the Haggin Museum website before or during your visit, or pick one up for free at the Visitor Services desk.

Upper Level

Lower Level

Visit the **Museum Store** and discover books, posters, and unique gift items inspired by the museum's collections and the special exhibitions! **Members receive a 10% discount on all their store purchases.**
